EDITORIAL STATEMENT

The *INFORMS Journal on Data Science (IJDS)* is a peer-reviewed journal, aiming to publish top innovative and potentially impactful data science methodologies contributing to decision making in engineering, business, management, and industry.

By curating and publishing state-of-the-art generalizable knowledge, *IJDS* aims to provide a dedicated focal point for important data science research in socio-technical aspects of engineering, business, management, and industry, to benefit the scientific community, industry, and society at large. *IJDS* strives to elevate the visibility of INFORMS data science communities.

SUBSCRIPTION SERVICES

INFORMS Journal on Data Science (ISSN 2694-4022 (print), 2694-4030 (online)) is a quarterly journal published by the Institute for Operations Research and the Management Sciences (INFORMS), 5521 Research Park Drive, Suite 200, Catonsville, MD 21228.

2025 subscription prices for U.S. addresses per volume, print and online: institutions, \$717; members, \$85; students and retired members, \$42. Additional subscription options and rates are available online at <https://www.informs.org/Publications/Subscribe>.
