All reviewers who contribute their efforts to the *INFORMS Journal on Computing* are very much appreciated. In 2024, many went beyond the call of duty and submitted reviews that warranted meritorious recognition. These reviews were especially insightful and detailed. The reviewers below were nominated by our editorial team as exemplifying the highest standards of peer review.

As we celebrate these reviewers, we will also continue to refine our recognition process to ensure that every individual's efforts are appropriately acknowledged. We appreciate the entire *IJOC* community for its work.

We extend our gratitude to the set of 2024 Meritorious Reviewers:
