On behalf of the Editorial Board, I would like to thank the hundreds of people who acted as reviewers for the *INFORMS Journal on Computing (IJOC)* during the past year. Reviewers are the cornerstone of the peer review system and give their time and expertise unselfishly. This year, many went beyond the call of duty and submitted reviews that warranted meritorious recognition. These reviews were especially insightful and detailed. They were nominated by our editorial team as exemplifying the highest standards of peer review. We also list every reviewer who completed a review. *IJOC* reviewers, please know you are greatly appreciated!

Below is the list of reviewers who received meritorious recognition in 2025.
