With 12,500 members from nearly 90 countries, INFORMS is the largest international association of operations research (O.R.) and analytics professionals and students. INFORMS provides unique networking and learning opportunities for individual professionals, and organizations of all types and sizes, to better understand and use O.R. and analytics tools and methods to transform strategic visions and achieve better outcomes. For more information on INFORMS, its publications, membership, or meetings visit <http://www.informs.org>

Appreciation to Referees

On behalf of the Editorial Board, I would like to thank the following individuals who have acted as referees for papers considered for publication during 1996.

BRUCE L. GOLDEN
Editor

Aarts, E.H.L., Philips Research Laboratories, Eindhoven, The Netherlands
 Aboudi, R., University of Miami
 Agarwal, R., University of Dayton
 Al-Sultan, K.S., King Fahd University, Saudi Arabia
 Amini, M., University of Memphis
 Anandalingam, G., University of Pennsylvania
 Balasubramanian, P.R., Boston University
 Ball, M., University of Maryland
 Bean, J., University of Michigan
 Beasley, J., Imperial College
