With 12,500 members from nearly 90 countries, INFORMS is the largest international association of operations research (O.R.) and analytics professionals and students. INFORMS provides unique networking and learning opportunities for individual professionals, and organizations of all types and sizes, to better understand and use O.R. and analytics tools and methods to transform strategic visions and achieve better outcomes. For more information on INFORMS, its publications, membership, or meetings visit <http://www.informs.org>

highly regarded books including *Executives' Guide to Computer-Based Information Systems* (Prentice-Hall), *The Management of Information Systems* (McGraw-Hill), and *Systems Analysis and Design* (West Publishing), and is publisher of the *MIS Quarterly* and editor of *Data Base*. Quoted often in leading business and information system journals, Dr. Wetherbe has also authored over 100 articles, writes regular columns, and serves as a consulting editor for publishing companies.

ACKNOWLEDGEMENT OF REVIEWERS

We would like to thank the many reviewers who devoted their time, energy, and expertise to INFORMATION SYSTEMS RESEARCH, and whose dedicated efforts play a key role in ensuring the quality of the journal. The following individuals served as reviewers of manuscripts decided upon in 1989.

E. BURTON SWANSON
