With 12,500 members from nearly 90 countries, INFORMS is the largest international association of operations research (O.R.) and analytics professionals and students. INFORMS provides unique networking and learning opportunities for individual professionals, and organizations of all types and sizes, to better understand and use O.R. and analytics tools and methods to transform strategic visions and achieve better outcomes. For more information on INFORMS, its publications, membership, or meetings visit <http://www.informs.org>

define such interest. The consensus was that this would be a proper use of the limited funds in the treasury. Possible thesis areas were suggested by several members present.

COLRAD Director of Operations, Professor Edward B. Roberts of M.I.T., is arranging a session on research and development at the TIMS meeting in Boston in April.

COLRAD is planning to hold a meeting and conduct a technical session at the 14th International Meeting in Mexico City in August 1967. Professor Burton V. Dean of Case Institute of Technology will be organizer and chairman of this session.

**Walter A. Hahn**  
Chairman, COLRAD
