Acknowledgment to Guest Editors and Reviewers (2010)

Manufacturing & Service Operations Management (M&SOM) formally thanks the guest editors and reviewers, who provided expert counsel and guidance on a voluntary basis. Through their efforts, the journal was able to provide submitting authors with timely, thoughtful, and constructive reviews. In fact, for papers submitted in 2010, M&SOM received 581 reviews from 363 individuals. Remarkably, 61% of those reviews were submitted on or before their due date, a figure that increases to 69% if you allow a one-day grace period. Due in large part to the responsiveness of our reviewers, M&SOM made 96% of its 391 manuscript decisions for 2010 regular submissions and revisions within 75 days and 100% within 90 days.

The following list acknowledges those who served from January to December 2010. On behalf of the editorial board and the submitting authors, we acknowledge their service to the journal and gratefully appreciate their contributions to our profession.

Stephen C. Graves, M&SOM Editor
