Acknowledgment to Guest Editors and Reviewers (2013)

Manufacturing & Service Operations Management (M&SOM) formally thanks the guest editors and reviewers, who provided expert counsel and guidance on a voluntary basis. Through their efforts, the journal was able to provide submitting authors with timely, thoughtful, and constructive reviews. In fact, for regular submissions and revisions that were submitted in 2013, *M&SOM* received 624 reviews from 425 individuals. Remarkably, 51% of those reviews were completed on or before their due date, a figure that increases to 58% if you allow a one-day grace period. Due in large part to the responsiveness of our reviewers, *M&SOM* made 91.9% of its 397 manuscript decisions for 2013 regular submissions and revisions within 75 days and 100% within 90 days.

The following list acknowledges those who served from January to December 2013. On behalf of the editorial board and the submitting authors, we acknowledge their service to the journal and gratefully appreciate their contributions to our profession.
