Front cover graphic: Mark Tomalty/Masterfile. As a condition of final acceptance of a paper for publication in *Operations Research*, the author(s) must indicate if their paper is posted on a working paper website, other than their own. They are responsible for assuring that, if any part of the paper has been copyrighted for prepublication as a working paper, the copyright can and will be transferred to INFORMS when the paper has been accepted. This includes both print and electronic forms of the paper. Authors may post their working papers on websites after acceptance and prior to publication, as long as the sites are not copyrighted or do not serve as formal repositories. Permission to make digital/hard copy of part or all of this work for personal or classroom use is granted without fee provided that copies are not made or distributed for profit or commercial advantage, the copyright notice, the title of the publication and its date appear, and notice is given that copying is by permission of the Institute for Operations Research and the Management Sciences (INFORMS). Distribution through coursepacks is permitted provided that permission is obtained from INFORMS and a fee is paid. To republish, post on servers, or redistribute to lists requires prior specific permission and, in some cases, a fee. Address requests regarding reprint permission to the Institute for Operations Research and the Management Sciences, 5521 Research Park Drive, Suite 200, Catonsville, MD 21228, permissions@informs.org. To copy otherwise is permitted provided that a per-copy fee is paid through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, www.copyright.com.
