Errata

BRANT E. FRIES

Columbia University, New York, New York

(Received May 1977)

IN THE STATEMENT of Proposition 2 (page 59) of [1] the terminal phrase "with cardinality strictly less than $l-2$ " was omitted. I am indebted to Professor Edward Boylan of Rutgers University for identifying this omission. I would also like to correct my omission of an acknowledgment of Professors William Maxwell and Hamilton Emmons for their help in the development of this work.
