With 12,500 members from nearly 90 countries, INFORMS is the largest international association of operations research (O.R.) and analytics professionals and students. INFORMS provides unique networking and learning opportunities for individual professionals, and organizations of all types and sizes, to better understand and use O.R. and analytics tools and methods to transform strategic visions and achieve better outcomes. For more information on INFORMS, its publications, membership, or meetings visit <http://www.informs.org>

Acknowledgment to Referees (2018)

<https://doi.org/10.1287/trsc.2019.0893>

We wish to thank the following individuals who acted as referees for *Transportation Science* in 2018. We express our apologies to those whose names we may have missed.
