2024 INFORMS SUBSCRIPTION UPDATES

* Open Athens federated access is now available to INFORMS subscribers; log in using your credentials. *INFORMS Journal on Data Science* will publish two issues in 2024.

ABOUT INFORMS

INFORMS (The Institute for Operations Research and the Management Sciences) is an international scientific society with more than 11,000 members dedicated to applying scientific methods to improve decision-making, management, and operations. Operations research (O.R.) is the discipline of applying advanced analytical methods to help make better decisions that save lives, save money, and solve problems.

INFORMS serves the scientific and professional needs of O.R. analysts, consultants, scientists, students, educators, and managers, as well as their institutions, by publishing a variety of journals that describe the latest research in operations research and analytics.

INFORMS DARK ARCHIVE

An agreement with Portico assures institutional subscribers that electronic copies of INFORMS journals will always be available in the future.

INFORMS JOURNALS ARCHIVE (1952-1997)

Purchase INFORMS online archival product at the one-time cost of \$5,000. The Journals Archive contains all content from volume 1, issue 1 through 1997 of the nine INFORMS journals launched before 1998. Access the archive website for online discounts. Discounts are based on your current INFORMS journal subscriptions. informs.org/journals-archive

INFORMS ONLINE JOURNALS (1998-2024)

All current journal subscriptions provide online access and searchability of all new issue content plus articles back through 1998. librarians.pubs.informs.org

PUBSONLINE SUITE

INFORMS offers an attractive discount for subscribers to the entire 17-journal INFORMS PubsOnLine Suite. The \$6,316 online price provides savings of \$4,054 over purchasing individually. informs.org/inst-pubssuite

MULTISITE SUBSCRIPTION ACCESS & RATES

Available on a limited basis with additional restrictions. Online subscriptions do not permit usage across multiple campuses. Please contact INFORMS to see if your institution is eligible for multisite subscription pricing and request a quote at IPOLcentral@informs.org.

REMOTE ACCESS FEES

Remote access by faculty, staff, and students through a centrally administered IP address requires payment of an annual connection fee.

2024 Fees:

1–4 Journal Subscriptions: \$1,200

5+ Journal Subscriptions: \$650

INFORMS TERMS & CONDITIONS

- No additional discounts are allowed.
- Prepayment required for all orders. All payments must be in U.S. dollars drawn on a U.S. bank payable to INFORMS. MC, Visa, Discover, and AMEX are accepted.
- Print subscriptions run on a calendar year basis, except for *OR/MS Today*.
- Claims of non-receipt of a print journal should include the subscription ID number and MUST be made within six months of the given publication mailing date. Print issues claimed after this time may be purchased as single issues.
- Online subscriptions provide access for the period January 1–December 31 and are not tied to the availability of any specific issues of any journal. Annual renewals are required for continued access to subscribed online content.
- Online subscriptions include access to current volumes for subscribed journal(s) as well as backfile issues for subscribed journal(s). The backfile covers the period from 1998 to current year.
- INFORMS will register your IPs with Atypon. Submit your IP ranges via email to IPOLcentral@informs.org.
- IP addresses used to access the INFORMS journal system must be located in the subscribing library or on the campus where the library exists. The convenience of access for the local campus has been included at no additional charge.
- Remote access by faculty, staff, and students is only permitted for the subscribing institutional campus. See previous page for remote access pricing. The institution is responsible for authentication of users accessing INFORMS PubsOnLine through remote access gateway proxy servers. Open Athens and Shibboleth institutions can use their credentials to log in for federated access.
- Multisite access is only available on a limited basis with additional restrictions. Online subscriptions generally do not permit usage across multiple campuses. Please contact INFORMS to see if your institution is eligible for multisite subscription rates at IPOLcentral@informs.org.
- Please read the complete INFORMS PubsOnLine Terms & Conditions and Electronic Access Guidelines found on INFORMS Librarians Portal at librarians.pubs.informs.org.
- Requests for termination of any subscriptions will be honored with proportional refunds less a \$25 cancellation charge.
- INFORMS Transactions on Education, Stochastic Systems, and Analytics* magazine are open access publications. All copyright and reuse rules still apply.
